SUMMER SCHOOL 2009.

Our summer session is a relaxed extension of the regular school year, where the children will have the opportunity to continue to work in the prepared classroom environment with the Montessori materials, along with outside activities, art, cooking projects, gardening, water play, and neighborhood walks & visits to Allsopp Park etc. for the older children. We do not plan to make extensive trips away from the school, except for the Junior Elementary Class. ** Any field trips for the Juniors will be scheduled by the teacher, and will include visits to War Memorial Swimming Pool. With the exception of any scheduled vacation time, our staff will be the same as during the school year. This, along with a relaxed schedule, will make for a pleasant and stress-free summer for your child.

Summer School 2009 will start on Monday, June 1. We open at 7:00am and close at 6:00pm. We will be **closed** on Friday, July 3, in observance of Independence Day which falls on a Saturday this year. The **last day of summer school** will be Thursday, August 27. We will be closed Friday, August 28 for our annual teachers' work day.

We do not offer "drop-in" child care. Your child should be at school by 9:00am at the very latest; otherwise we will assume he is not attending school that day. Tuition is due and payable **in advance** on the first of each month. Accounts not paid on the 1st will be assessed a late charge of \$35.00. Credit will be given for vacation **if advance notice is given**. Any child with an unpaid tuition balance after the 15th of the month will not be accepted for summer school until the balance is paid in full.

Please dress your child comfortable and safely for summer school. Appropriate footwear must be worn. Open-toed sandals, flip-flops, "jellies", clogs etc. are a danger when children are running and playing. We will not be held responsible for injuries to feet and toes if appropriate footwear is not being worn.

Sunscreen and, if necessary, **insect repellent**, will be applied if permission is given – please see the Application Form. You may send your own sunscreen and/or insect repellent if you wish; otherwise we will use what is on hand at school. Please label your child's sunscreen/insect repellent with his or her name.

To enroll your child for the summer session, please fill out the Application Form and return it to school, along with the registration fee and any other required papers such as Immunization Record, Discipline Form, etc.

We look forward to a pleasant and safe summer, and hope that your child will join us.

** **We retain the right to exclude from field trips any child whose behavior is a danger to himself and/or the other children in our care.**
