2018-2019 Re-enrollment

Dear families,

We are enjoying the middle of a very successful year with your children. Our toddlers through kindergarteners are happily engaged in fulfilling their potential, intellectually, emotionally, and socially. We are making preparations for the coming school year 2018-2019. In order to make staffing and budgeting plans we need to know our anticipated enrollment. Current students and their sibling have priority up until February 28, 2018. After that date, we will accept children from the waiting list.

The annual fee of \$400 includes: supplies for the classrooms, snacks for the afternoons, insurance, etc. Please note that music, art, drama, and technology (ipads) are a part of our curriculum and there is no extra charge for this. We have noted that most schools have fees and charges not included in the fees posted online. The re-enrollment fee is \$100. Payment of this fee will be applied to the annual school fees that are due in August. This re-enrollment fee is non-refundable. We have adjusted our fees slightly to include a maintenance fee for continual repairs to the building. We are adding a building fee of \$150 per family annually.

If you have any questions, please feel free to contact the office at 664-5993. Thank you.
