

Upstairs Class: Week is exciting—We celebrated Earth Week by planting more vegetables in the front garden and looking at Oak trees we planted last year in pots. We are enjoying a new Glockenspiel from River Valley Montessori and a wonderful African Bolophone given by Ted Williams, the grandparent of Carter Thomas.

Outside Class: The children have been learning some new sign language and refreshing on the ones we already know. We have also been talking about the weather and looking at the planets. We have been talking a lot about manners and being respectful to our friends and classroom.

Toddlers/Transitional Toddlers:

If your child wears diapers, please send a large bag of wipes. If your child is potty trained, please send flushable wipes. Please do not send toys to school with your child. This creates problems between children and some items get lost. Please send proper utensils for your child's lunch. You can send plastic disposable forks or spoons.

I can't believe the school year is almost over. Summer school registration forms are ready, please fill and return ASAP so we can hold a spot for your child.

I will be working on progress reports the next couple weeks.

I have really enjoyed having your children in my class.

-Ms. Caroline

May Birthdays!

- Ariel L. 5/5
- Ryland S. 5/15
- Gabby S. 5/17
- Ryan B. 5/25
- Kaitlyn H. 5/26
- Ryan X. 5/27
- Connor H. 5/30

The development of language is part of the development of the personality, for words, are the natural means of expressing thoughts and establishing understanding between people.

M. Montessori

Important

Please don't let your child bring toys to school as it is distracting, and they may lose it. Books to share at Group time or to donate to class are welcome. Please have your child wear shorts or leggings under dresses/skirts and we ask that closed toe shoes be worn for playing outside.
