

Children's House Chatter

February 2020

Upstairs Class:

We send a big thank you to our parents for all the wonderful Valentine's Day goodies! Thank you to the moms and dads who attended and helped with the party! We are busy with music, zoology, always with word building and vocabulary picture matching, math, and sensorial lessons. We also have some lovely new additions to our science shelves.

Outside Class:

We welcome Elijah and Mia to our class. We continue to work on our Montessori lessons and are looking forward to being able to get outside soon. We all work on our sounds daily and everyone keeps busy on their chosen work. If anyone ever wants to visit our class for lunch or to read to the kids or share something special let me know. We love having you come.

Transitional Toddler Class:

We welcome Emmanuel to our class. He has an older brother in the outside class. The children enjoyed decorating their Valentines bag and eating cookies at the party. Thanks to Halley, Marlowe's mom for helping during the party. Thanks to Jack, Mary Eva's dad for the cookies. Please make sure to take your child's sheet and blanket home every Friday and return to school on Monday. Welcome our new afternoon classroom aids, Mr. Patrick and Mrs. Kristie. Ms. Pierce will be back in March.

Infant/Toddler Class:

We have been working on Valentine's Artwork – if you did not get yours, please check your child's classroom file. Daily reports are sent home to let you know how your child's day went and to inform you of any supplies that may be needed. If you have been asked to bring supplies for your child, please do so. Welcome our new classroom aid, Miss Madison. She and her little brother were former students of CHMS.

Quote of the Week

*"Of all things
Love
is the most
potent."*

– Dr. Maria Montessori
