Dear Parents and Guardians,

Greetings! As you know, with COVID-19 we are all in uncharted waters. Many of us here at CHMS are working parents of school aged children and we, like you, are trying to balance the real needs of our children's health and educational development along with our own home, parenting, and work responsibilities. We understand that many schools are sending out surveys asking parents to choose 1 of 3 options: Part-Time In-Person School/Virtual School from Home, Full-Time In-Person School, or Full-Time Virtual School from Home. With our 8,000sqft facility, lower enrollment, and ample room to provide for social distancing, we have come up with additional options we hope you will find helpful as you make plans for the upcoming school year.

The following options outlined below are for your kindergarten - 5th grade students and older siblings of currently enrolled students. Please complete and return this interest survey by Friday, July 24th. We 2 classrooms available for a total of 16 students. Please do not delay!

A. Elementary Enrollment. This would be for single enrollment here with Full Montessori Curriculum for 1st - 5th grade provided by a Montessori Intern and overseen by part-time Montessori Certified volunteer teacher. M-F 8:30Am - 2:30PM. **Cost: \$545 per month.**

B. Half Day Dual Enrollment. This would be a dual enrollment where your public or private school elementary aged child(ren) who are enrolled elsewhere for Full-Time Virtual School from Home would be able to attend CHMS from M-F 8:30AM - 11:30AM. We will provide a teacher to monitor their virtual learning and assist them as needed. **Cost: \$200 per month.**

C. Full Day Dual Enrollment. This would be a dual enrollment where your public or private school elementary aged child(ren) who are enrolled elsewhere for Full-Time Virtual School from Home would be able to attend CHMS from M-F 8:30AM - 2:30PM. We will provide a teacher to monitor their virtual learning and assist them as needed. Morning hours will be dedicated to fulfilling their virtual school requirements. In the afternoons, we will offer additional classes such as cooking, sewing, art, music, and/or science fair project assistance. **Cost: \$400 per month.**

D. Child Care. This is provided to Full Day students who require extended hours M-F 2:30PM - 6:00PM **Cost: Full Day Tuition + \$175 per month.**
