

Children's House Chatter

2021

Juniors:

Greetings everyone! The Junior class is having a great summer! We have studied the ocean and the universe. We have taken walks to Allsopp Park. We also swim at Ms. Nancy's pool every Tuesday and Thursday. We have an outing every Friday, so far, we have visited the Professor bowl bowling alley and Chuck E. Cheese and we have many more fun outings planned for this summer. Friendly reminder, please send a water bottle daily with your student, so we can stay cool and hydrated.

Upstairs Class:

Children have enjoyed music, learning new songs in French and Spanish, and rehearsing many patriotic songs. We also are working with the moveable alphabet and continent maps every day.

Outside Class:

We are taking this opportunity, while several children and teachers are on vacation, to update the classroom. Mr. John has been away training teachers and will return soon. The children have enjoyed having music, water play, and class time together with the Upstairs Class.

Transitional Toddler Class:

We welcomed Everly and Eloise to our class last month. We are enjoying summertime and water play! Please send bug spray and sunblock for your child and please remember to send snack on your day.

Toddler Class:

We have had a great start to our Summer! The children have been enjoying water play. On hot afternoons we have been having dance parties. We have been practicing our signs and counting to three. We are still working on sitting nicely at a table to eat and cleaning up our messes afterwards.

Infant Class:

The babies have flourished and grown so much over the last few months. We welcome Micah and Zayne and love having them. Some have mastered sitting up unassisted while others are still working on it. They are currently working on crawling and scooting around the classroom, standing, pulling up and eating more solid foods. If you have received supply slips, please bring in those items for your child. Make sure and check throughout the week that your child has enough spare clothes at school. If your child is eating solid foods, please bring a sippy cup for water to have for lunch. Make sure all belongings are labeled with your child's name.

Quote of the Month

"Independence is not a static condition; it is a continuous conquest, and in order to reach not only freedom, but also strength, and the perfecting on one's powers, it is necessary to follow this path of unremitting toil."

- Maria Montessori

School Highlights:

We updated the playground with new mulch!

We are updating the Outside Classroom and hope to re-open Monday, July 12th!
